## About Us:

### **Pfleiderer AG – the Fascination of Wood**

Pfleiderer AG (ISIN DE 0006764749) is one of the world's leading producers of engineered wood. The company employs approximately 4,900 people and operates 16 sites in North America, Western and Eastern Europe producing engineered wood, surface finished products as well as laminate flooring. Pfleiderer is the preferred partner of the furniture industry, specialist and home improvement stores, and interior design suppliers. The company delivers its comprehensive range of core materials and surface-finished products to customers in over 80 countries.

The Pfleiderer product range covers raw particleboard, medium density fiberboard (MDF), and high density fiberboard (HDF), surface-finished products such as melamine-faced particleboard and post-forming elements as well as laminated flooring. The Group operates seven production sites in Western Europe, four in Eastern Europe, and five in North America. In fiscal year 2011, the Group generated consolidated revenues (continued operations) of approximately €1.1 billion.
